## NOTATE FASTER WITH MONROI

---

### RECORDING TIPS

- Ensure to recorded your own as well as the opponent's move in sequence
- Tap once on the chessboard square (not twice)
- Hold the stylus like a pen ~45 degree angle (not 90 degree)
- Do not drag the chess pieces- simply tap on the destination square
- Do not hold stylus down on the chessboard square- simply tap
- Do not press too hard on the screen
- If your screen responds slowly- calibrate it by clicking on the battery icon
- To review all the recorded moves, select paper scoresheet icon

**You will be able to notate faster with MonRoi than with pen & paper and you will get clean records of your games instantly**
