MonRoi Client Testimonials

“My MonRoi PCM is the greatest thing since sliced bread. It is wonderful and I have been promoting it everywhere. It has made me a stronger player and I am going to achieve my master title soon in no small part due to the PCM. I really appreciate what you have done for me and your company and all of its products (as well as the service of streaming live games on your website) are an outstanding contribution to tournament chess.”

Geoffrey Gale
