

MonRoi

MonRoi

Personal Chess Manager

US\$359.00

The World's Only USCF, FIDE and ECU Certified Electronic Chess Notation Device!

No more lost or illegible paper score sheets. MonRoi provides pure enjoyment of the game to chess players- without the headaches.

- Enter moves on a sleek, portable device.
- Store PGN files electronically in PGN for easy analysis.
- Get a paper copy of your scoresheet, indicating time.
- Replay chess games on the device.
- Upload games to a computer and e-mail them to your coach.
- Receive pairing information about the next round.
- Broadcast games live on the Internet and get your piece of fame

Personal Chess Manager uses pictorial symbol or algebraic recording, allowing a user to record chess games, to review chess games instantly, and to upload and download chess games from a computer. Simply plug in the MonRoi SD memory card to transfer your games to a computer for further analysis. MonRoi's™ PCM is:

- Portable
- Wireless
- Accurate
- Easy to Use
- FIDE Certified
- Patented
- Fully secure
- Tamper-free
