We provide web-site design and maintenance, chess tournament marketing, live chess game broadcast, live chess game commentaries, content management, on-line chess tournament registration and on-line chess store solutions. MonRoi develops websites that not only look attractive but get amazing results by using latest technologies.

It is not easy to set up and manage a highly successful Internet marketing campaign. Many tournaments and chess businesses fail because they do not have the knowledge base, experience, and expertise. We put our expertise and knowledge base into making your Internet chess marketing campaign a success.
